

A **School-Parent Compact for Achievement** is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students reach grade-level standards.

School Parent Compact

Effective Compacts:

- Link to goals in the school improvement plan.
- Focus on student learning skills.
- Describe how teachers will help students develop those skills using high quality instruction.
- Share strategies families can use at home.
- Explain how teachers and parents will communicate about student progress.

JOINTLY DEVELOPED

Parents, teachers, and students are involved in reviewing this compact yearly through meetings and surveys. Parents offer feedback, teachers make suggestions on strategies for home learning, and students share their ideas about what they need to learn.

Parents are invited to contribute their feedback on the compact at any time by emailing Marie Dickinson at mdickinson@doe.k12.ga.us.

MISSION STATEMENT

All GSD students will graduate with a positive Deaf identity as bilinguals in American Sign Language and written English, and will be prepared to make successful life choices.
