“The Student Advisory Council is an absolutely invaluable resource for the Georgia Department of Education team as we make decisions that impact students and classrooms,” Superintendent Woods said. “Nothing can replace the opportunity to hear directly from students about their experience in Georgia’s public schools and what we can improve. I’m looking forward to meeting and working with this year’s Student Advisory Council members.”

GSD graduate, David Martinez, was chosen and served on the council. We encourage interested GSD high school students to apply!
