A School-Parent Compact for Achievement is an agreement between parents, students, and teachers to work together to ensure all students reach grade-level standards.

**School-Parent Compact**

**Effective Compacts:**

- Link to goals in the school improvement plan.
- Focus on student learning skills.
- Describe how teachers will help students develop these skills using high quality instruction.
- Share strategies families can use at home.
- Explain how teachers and parents will communicate about student progress.

**COMMUNICATION ABOUT STUDENT LEARNING**

Georgia School for the Deaf communicates with families in various ways to keep parents informed about student learning, programs, and events. Some of the ways they communicate include:

- Registration Day Open House/Parent Input Meeting
- School website and social media
- Mid-quarter progress reports and quarterly report cards
- School Helper newsletter
- Annual IEP/parent-teacher conferences
- On campus and phone/VP conferences with teachers
- Periodic surveys
- Access to Infinite Campus parent portal
- Regular, direct calls/emails/letters from teachers to parents

**BUILDING PARTNERSHIPS**

To build and maintain partnerships that benefit students and stakeholders, GSD will reach out to families and community members through a variety of planned events.

Here are just a few ways you can be involved in your child’s education:

- Volunteering and/or observing
- Annual holiday programs
- Learning American Sign Language
- Parent-Teacher conferences and IEP meetings
- Attending Regional Parent Meetings
- Attending school events (Awards Day, sporting events, classroom events, etc.)
- Initiating/responding to contact with your child’s teachers

**MISSION STATEMENT**

All GSD students will graduate with a positive Deaf identity as bilinguals in American Sign Language and written English, and will be prepared to make successful life choices.

**Jointly Developed**

Parents, teachers, and students are involved in reviewing this compact yearly through meetings and surveys. Parents offer feedback, teachers make suggestions on strategies for home learning, and students share their ideas about what they need to learn.

Parents are invited to contribute their feedback on the compact at any time by emailing Marie Dickinson at mdickinson@doe.k12.ga.us.
