WHAT IS A SCHOOL-PARENT COMPACT?
This compact is a written commitment describing how all members of a school community—parents, teachers and staff, and students—agree to share responsibility for student learning. It suggests ways we can work together to help our students succeed and connect learning at school and at home.

DID YOU KNOW?
Parents and families, teachers and staff, and students all work together to develop our School-Parent Compact. Through annual meetings and surveys where the Compact goals are reviewed, parents and families offer feedback on what support they need, teachers make suggestions on strategies for home learning, and students share their ideas about what they need to learn. Parents are invited to contribute their feedback on the compact at any time by contacting Marie Dickinson at mrdickinson@doe.k12.ga.us or 706.331.6314.
