RE: End of Distance (Virtual) Learning

After much deliberation, the Atlanta Area School for the Deaf, the Georgia Academy for the Blind, and the Georgia School for Deaf will end distance (virtual) learning on May 15, 2020. We will use the time from May 15th until the end of the regularly scheduled school year to allow students time to finish outstanding assignments, allow teachers to finalize grades and close out the school year, and plan to process the return of students’ digital equipment, textbooks, library books, and school related items as well as pick up any personal belongings. If you have any questions, please do not hesitate to reach out to your child’s teacher or the leader of your child’s school. In the near future, you will receive information about potential options for opening up the 2020-2021 school year. Please stay safe and healthy!
