HOMETOWN: PEMBROKE
ENROLLED AT GSD: 2007

Clubs, organizations, and sports: football, basketball, softball, soccer, JrNAD, and the robotics club.

Best memory from your time at GSD:
My best memory from my time here at GSD was the opportunities I’ve had to make many new friends.

Advice to current GSD students:
Stay together as family, never give up until you finish, and respect each other no matter what!

Plans after graduation:
My plans are to go to college or RIT.
The 2019-2020 school year is not one that any of us will forget! The coronavirus led to drastic changes—learning and working from home, teaching and learning via technology, physical separation, and a lot of hard questions. But that doesn’t mean there weren’t great moments! As you look back on these good times, remember the positives. Everyone at GSD is looking forward to being back on campus with the students in the fall! Have a safe and happy summer!
Congratulations to graduating senior Kenneth Kennedy! He was recently awarded a $4000 scholarship from Quota International of Northside Atlanta! Kenneth will attend Gallaudet University in Washington, DC. in the fall. Great news for a deserving student!
